Your Council and administration

Mayor Gary Tym (780) 456-2533

email: gtym@telus.net

Councilor Jim Sandmaier (780) 939-3440

email: jksandmaier@yahoo.com

Councilor Lori Barr (780) 675-3147 email: lori.a.barr@gmail.com

Administration Garth and Marion Bancroft at the above information

Council Meetings – Please contact administration if you have an issue that should be discussed at one of our council meetings.

Election 2013 – Although this was an election year, we only had 3 nomination papers turned in so all three council members were elected by acclamation. Lori Barr is our newest council member and we welcome her to our team.

Message From The Mayor – On behalf of council we would like to thank Shelly Gurba for doing such a fine job for the Summer Village over the past few years. It has been a pleasure to work with Shelly and we will certainly miss her.

One main area of concern this summer was the boat launch. It was very heavily used and this created a real mess with people getting stuck. We will be working on this in the fall or early spring and are planning on pouring some concrete in the problem area.

Have a wonderful winter! Gary Tym

Municipal Reserves – All lots in the summer village have some municipal reserve next to them. This is a buffer zone and trees can only be removed if they are dangerous. Please let us know if you see any dangerous trees. Residents are not allowed to clear anything but a simple pathway.

Development Permits – Development permits are required for all construction projects. They are available from our administration office and also on the website.

Hall Rentals – Anyone interested in renting the community hall can contact Wanda Gross at (780) 675-3516. The hall contract can be found on our website. Property owners in the summer village are welcome to rent the hall for their special events.

Snow Removal – Please post red/orange flags or reflectors marking the edges of your driveway if you would like to have the driveway cleared when the village roads are being plowed.

Animal Control - We now have an animal control officer working for the summer village. Her name is Vicky Stafford and she can be reached at 780-675-9557 if you have a problem with someone's dog. She is also very helpful in locating missing animals.

Administration Office – The administration office will be closed from the end of December until the middle of March. If any permits are required, please request them prior to this time. For any emergency during this time, please contact one of your council members or the necessary emergency numbers. We will be checking our email on a regular basis.

Whispering Hills Recycle and Transfer Site (Hours of Operation)

Location: NW 35-66-24 W4
