Mayor's Message

Summer seems to have gone by way too fast. We have continued to meet twice a year with the other summer villages in the area to discuss mutual problems and concerns. The extra police presence in all the summer villages on certain weekends this summer was a result of these meetings. Everyone seems to be pleased to have the new Fir Hall in such close proximity to our village. I am looking forward to our new and improved road which will be completed in the spring. Have a great winter and we will see you in the spring.

Gary Tym

Roads

As you have probably noticed, the village roads are getting a good makeover this fall. The base is getting a facelift and then in the spring we will be adding the dust control.

Boat Launch

The boat launch held up pretty well this summer. We added some gravel at the end of the season so hopefully it will be good for next year.
