

SUMMER VILLAGE OF ISLAND LAKE SOUTH

NOTICE OF JOINT PUBLIC HEARING

Bylaw No. 122-21 Island Lake Intermunicipal Development Plan

Pursuant to the *Municipal Government Act*, R.S.A. 2000, c. M-26, as amended, Sections 230, 606, and 692, the Council of the Summer Village of Island Lake South hereby gives notice of its intention to adopt:

Bylaw No. 122-21 Island Lake Intermunicipal Development Plan

The purpose of the Bylaw is to adopt an **Intermunicipal Development Plan (IDP)** between the Summer Village of Island Lake South, the Summer Village of Island Lake, and Athabasca County.

The IDP is high-level planning document that guides long-term land use planning for lands within the Summer Village of Island Lake South, the Summer Village of Island Lake, and Athabasca County. The IDP also provides direction for other land management practices and development policies within these municipalities. The IDP:

1. includes information about the history and current demographics of the communities;
2. includes mapping information to show the municipal boundaries and identify areas with known development constraints;
3. identifies preferred future land use areas for agricultural development, residential development, commercial development, and existing Crown Land areas;
4. establishes high level land use and land management goals and objectives;
5. identifies triggers for when the approving municipality will require the preparation and approval of an Area Structure Plan, Outline Plan, or Conceptual Plan;
6. establishes policies affecting existing and planned development, reserve allocation, development in environmentally sensitive areas, watershed management planning best practices, and development of infrastructure and transportation systems;
7. identifies a dispute resolution process for resolving intermunicipal disputes.
